## CHAIRMAN'S MESSAGE

Every child is unique. We understand that our students have high potentiality. We have to surface it and give proper direction. I love the children from the bottom of my heart. I would like to quote my very favourite saying, **"Do the best, and forget the rest"**. Today when there is a razor edge competition at every stage, it is very important that each student learns the lesson of life skills very well. It will help them to move ahead with full confidence and even if one fails one is up on one's feet once again with new hope.

**Mr. Ranjit Singh**  
Chairman
